

Prayer for Mercy and Mission

Loving Father, I thank you for inviting me to be your partner in mercy, to help reveal your love and grace to everyone, particularly those who do not sense your presence or who feel distant from you.

Empower me with the Holy Spirit, merciful Father, that I may serve faithfully as your chosen instrument. Give me courage to bring the joy and peace of your Kingdom to those for whom Jesus, your Son, died and rose.

Thank you, Father, for making me a partner in mission, commissioned to invite others to follow Jesus and live as his disciples in your Catholic Church.

Give me the confidence I need to witness to my faith, so that others will be filled with the joy and consolation of your Holy Spirit.

I pray this in the name of Jesus, the Lord.

Amen.
